Arcep answers candidates' queries, providing details
on the call for applications procedures**

Paris, 28 September 2021

The calls for applications procedures for assigning frequencies in the 700 MHz and 3.4 – 3.8 GHz bands in Réunion and in the 700 MHz and 900 MHz bands in Mayotte, which were launched on 3 August 2021, stipulate that any parties planning on submitting a tender dossier can send Arcep requests for any additional information they might require, up to 14 September 2021.

Today Arcep is publishing these questions, along with the answers and details that it provided regarding the procedures.

Arcep will carry out the assignment procedures and plans on awarding frequency licences to the winning applicants in Q1 2022.
