900 MHz frequency band assignments in Réunion: Arcep answers interested stakeholders, providing additional details on call for applications procedures

Paris, 16 November 2023

The call for applications procedure for the assignment of frequencies in the 900 MHz band in Réunion, which was launched on 19 September 2023, stipulates that stakeholders submitting a tender dossier had until 7 November 2023 to ask Arcep for additional information they required about the procedure.

Today, Arcep is publishing these questions along with the additional details it was able to provide about the procedures.

Arcep will carry out the frequency assignment procedures and plans on issuing the frequency licences to the winning candidates in the second quarter of 2024.
