Arcep launches a public consultation on extending the frequency licences awarded to Orange for the 900 MHz band in Mayotte, and the 900 MHz and 1800 MHz bands in Reunion

Paris, 4 October 2019

On 4 October 2019, Arcep is launching a public consultation to obtain feedback from the stakeholders concerned by its plan to extend two frequency licences awarded to the company Orange to 30 April 2025: one for 900 MHz band spectrum in Mayotte and the other for 900 MHz and 1800 MHz band spectrum in Reunion.

Stakeholders have until 4 November 2019 to share their comments with Arcep.
